VOLUNTEERS

	What to do	Impact	More Details...	✓
1	Plan for volunteers	*****	Define the roles and responsibilities that volunteers will take on. Be prepared to explain how and why volunteers will contribute to the overall aims and objectives of your Passion Play.	
2	Invite people to volunteer	***	What will volunteers get out of being part of your Passion Play? A supportive environment, training, learning new skills, using existing skills, a chance to get out in the fresh air, meet new people, be part of something worthwhile??	
3	Encourage mutual benefits	*****	Volunteers offer their time freely, but they should benefit in other ways, such as gaining a sense of achievement, having fun, learning new skills etc	
4	Recognise all contributions	*****	Volunteers bring a variety of skills, experience and enthusiasm. Recognition of the value of the contribution of volunteers is fundamental.
